

Release of New Video

Dear friends,

We are writing to announce the creation of a new video '**The Age of Glass**' that will be downloadable from the CSIC YouTube channel from **14th December 2023 at 13 CET**.

This dramatic 18 minutes video recreates the atmosphere of last December's Debriefing Session in New York at the UN Headquarters; it showcases many 'International Year of Glass' events, particularly ones that supported the UN 2030 Education and Equality Goals. A voiceover links amazing images and provides a context that completes the presentation.

We invite you to look the video and to disseminate it as widely as possible, including it in websites and elsewhere. It will remain on the CSIC website indefinitely and the link will be available on the IYOG web.

Here is the link: <https://youtu.be/-tUyKho9ZtY>

Enjoy the video and 'Welcome to the Age of Glass'.

Best regards

Alicia
